

## How to dispose your waste...

Learn about the main categories of waste segregation in all inhabited islands, industrial Islands and resorts.

### Organic Waste

(food leftovers, fruit peels, plants, animal and fish waste etc)

### Plastic

(plastic bottles, containers, straws, cutlery, tubs etc.)

Rinse all containers before disposal

### Other waste

(paper, cardboard, plastic bags, items made of mixed materials)

### Metal and Glass

(metal cans, glass bottles and containers etc.)

Rinse all containers before disposal
